

# Do you need a bicycle?

Cykeltutten is an open free bikeworkshop. Open! means that everyone is welcome. We are a total volunteer community and none of us are paid.

We are located at Frederiksø, which is an island in the middle of the harbour of Svendborg. Its a 2 minutes walk from the main train and bus station.

At Cykeltutten you can fix your own bicycle, or find a new bicycle for yourself!

Its free absolutely free !!!, but you need to do it yourself.

There are volunteers who can help you, so no experience is needed.

We have bikes, tools, spare parts, and coffee for you.

Come by if you are up for the challenge and learn something new.

Everyone leaves happy peddling back their own bicycle.

We have bicycles in all sizes and for all age groups.
